

ANNOUNCING

The Colorado ACEP

Leadership Development Program Fellowship

Colorado ACEP Board of Directors

Program Goals

- a) Identify individuals with the potential to become leaders in emergency medicine;
- b) Provide orientation and skills to allow potential leaders to promote emergency medicine locally and nationally;

All individuals meeting the requirements will be interviewed by the CO ACEP Nominating Committee (either by phone or in person). **One** person will be selected for the Fellow position annually. 6. The Leadership Development Fellow will submit to the CO ACEP Board of Directors reports summarizing activity at both the Leadership and Advocacy Conference as well as the Council meeting at Scientific Assembly and the these summaries should be written in such a way as to facilitate their publication in the EPIC Newsletter and serve to update the membership on these two meetings.

Optional Activities

1. Assist the CO ACEP Education Committee in the planning and operation of the Colorado ACEP Symposium in Emergency Medicine.

1. The CO ACEP Board of Directors will appoint a member of the Board to serve as mentor for the Fellow for the duration of the Fellowship year.
2. The mentor will submit a year – end evaluation of the Fellow's performance to the CO ACEP Board of Directors.
3. CO ACEP will provide funding in the amount of up to \$2,500.00 per year to defray related expenses for the Fellow.

Specifically the funding breakdown will be as follows:

- a. A maximum of \$500 per year to help defray travel (based on airfare costs and/or auto mileage reimbursement) and lodging expenses to CO ACEP Board meetings and the General Membership Meeting.

- c. A maximum of \$1,000 for travel and lodging expenses related to the Council Meeting held in conjunction with the ACEP Scientific Assembly (typically held in September or October).
